Kyle and Cara Scott, students at George School, started the grassroots initiative "Second Chance Toys of PA." Eric Blum, owner of the franchise GOT JUNK, transports the items and Kulicke & Soffa employees participate in collecting. The next round of toy donations will be during Earth Week, April 18 to 27. Donations of gently used plastic toys will be distributed to disadvantaged children throughout the region. Information: 215-990-8615 or www.secondchancetoys.org.
